Developing a River Tees Landscape Partnership

02nd November 2011

Introduction

Introduction

- Landscape Partnerships
 - Landscape Partnership Introduction
 - Landscape Partnership Outcomes
- Review of consultation and project development
 - Themes
 - Map/Geography
 - Partnership
 - Wider Consultation

Landscape Partnerships

Landscape Partnerships

- HLF grant programme of partnership schemes
- Conserve areas of distinctive local landscape character
- Contribute to heritage conservation
- Support schemes- long-term social, economic & environmental benefit

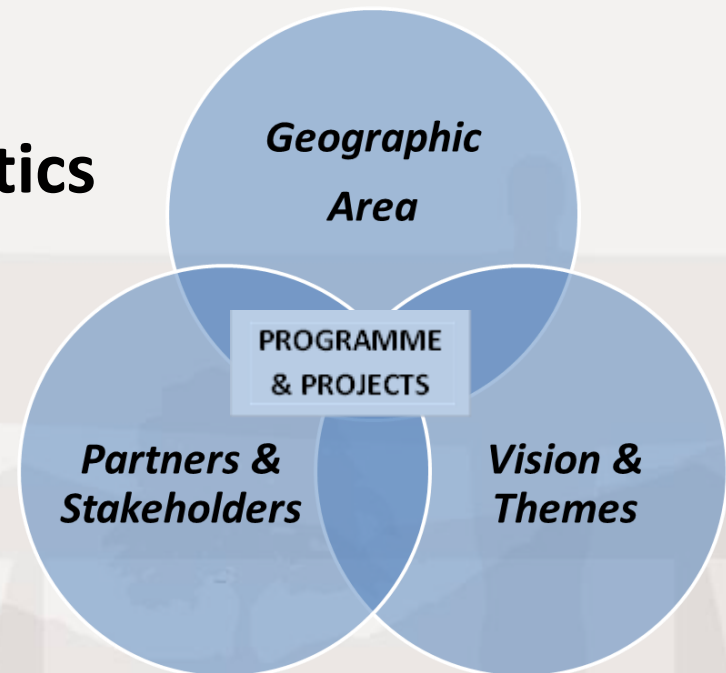

Outcomes

- To **conserve** or **restore** the built & natural features that create the historic landscape character
- Increase **community participation** in local heritage
- Increase **access** to & **learning** about the landscape area and its heritage
- Increase **training** opportunities in local heritage skills

Consultation Review

Aim

- To establish – **partner** interest
- To identify potential **projects** in line with themes
- Look at **geography**
- Identify landscape **characteristics**
- Determine **timeframes**
- To identify **communities**

Consultation Review
